## **E. Other Reports and Studies**

Implementation of 2011 General Session H.B. 260 “Mechanics’ Liens Revisions.” This bill requires the committee to review its implementation and to recommend to the Legislative Management Committee whether its provisions should be modified or repealed.

2013 General Session H.B. 202 “Energy Conservation Code Amendment” requires the Architectural Advisory Committee of the Uniform Building Code Commission, in consultation with the Mechanical Advisory Committee of the Uniform Building Code commission, to study and make recommendations regarding increasing residential energy performance. The Architectural Advisory Committee is required to present its recommendations to the Business and Labor Interim Committee no later than the October 2013 interim meeting.

Under §36-23-105, Utah Code, the committee receives an annual written report from the Occupational and Professional Licensure Review Committee.
